

## Football Tickets for Band & Guard Families

Due to reduced stadium capacity, SCUC ISD Athletics has adopted a ticket prioritization system where families of participants (including Band & Color Guard) will each have the opportunity to purchase up to **four tickets** (two for the Steele/Clemens Game) to [selected games](#) (see the document described below for that schedule).

I have published the guidelines and a link for ticket purchase in every student's Google Classroom in the "Stream." Parents may also log in to their CutTime account and click on the Files/Docs tab at the top to access the information and link.

If you have questions, please email Matt Boening @ [mboning@scuc.txed.net](mailto:mboning@scuc.txed.net)

Football Tickets in COVID

## 1<sup>st</sup> UIL Eligibility Check coming up this Friday!

**It's hard to believe, but we've arrived at the 6<sup>th</sup> week of instruction! This is a really important checkpoint for Band, Fall Sports, and all other Fall UIL events. Even though SCUC ISD adheres to a 9-Week Grading Cycle, UIL rules dictate that everyone across the state must use the 1<sup>st</sup> 6-Weeks for their first Eligibility Check.**

So, what does that mean? The short version is, students must be passing all of their classes on Friday (Sep. 25) in order to stay eligible. Teachers will put in final grades on Monday (Sep. 28), and official progress reports will come out on Tuesday (Sep. 29).

If a student is failing a class on their progress report, and that student is participating in marching band, they will still need to attend before and after school rehearsals, but will not be allowed to participate in football games, or marching contests. Students have an opportunity to re-gain eligibility at the end of the 1<sup>st</sup> 9-Weeks grading period.

**It's been a crazy start, and we have had to be very flexible, but our first football game is coming up on October 2<sup>nd</sup>!**

We will put out specific logistical info to the students the week of the game, but I wanted to remind everyone that school-appropriate khaki shorts are a required part of our uniform. Last year's shorts are totally fine (upperclassmen), but we're asking students to take care of this *this week*, as they might hit a snag if they wait until the last minute. I recommend Amazon.com, Walmart.com, or similar, as many in-person stores have started transitioning to Fall clothing.

Predicting the weather in South Texas is like trying to read a crystal ball. We may experience some cooler games where we will switch over to jeans (no holes, please), but then the next game will be back to 95 degrees. We will all need to be flexible and students will be allowed to wear jackets/hoodies over their band polo if the weather dictates.
